EDUCATION

B-tech (Aiml)
Teegala Krishna Reddy
Engineering College

2022 - 2025

Diploma (mech)
sri krishnadevaraya govt
polytechnic college

2018 - 2021

SSC
SV Modial High School
2018

EXPERTISE

- Management Skills
- Cloud Computing
- Problem-Solving
- Leadership
- Communication Skills
- Data and Statistical Analysis

LANGUAGE

- English
- Hind
- Telugu

PROFILE

Data Scientist with experience in AI and Cloud Computing. Skilled in Python, C, data analysis, and statistics, developed through internships in AI and web development. Strong problem-solver with project experience at AICTE, Perfect Profile, Siyaraa, Wayspire, and Edunet Foundation.

WORK SHOP(INTERNSHIPS)

AICTE under Mathworks

April 2023 - July 2023

Artificial Intelligence Intern

- Gained foundational experience in Artificial Intelligence techniques and tools.
- Worked on AI projects, contributing to practical applications and solutions.

Perfect Profile Industries

October 2018 - April 2018

Assistant (CNC)

- Assisted in CNC (Computer Numerical Control) operations, developing technical and operational skills.
- Learned about manufacturing processes and machine operations, contributing to hands-on project support.

Siyaraa Interns

June 2023 - June 2023

Web Development Intern

- Developed front-end and back-end web development skills.
- Completed real-world projects applying web development knowledge.

Wayspire

May 2024 - July 2024

Artificial Intelligence Intern

- Gained hands-on experience with AI methodologies.
- Contributed to AI solutions, enhancing machine learning expertise

Edunet Foundation

July 2024 to August 2024

Emerging Technologies Intern (AI & Cloud)

- Worked with AI and Cloud Computing on integrated projects.
- Developed skills in emerging technologies and cloud infrastructure.
